

**DPMEI is an approved vocational training partner (VTP) of The Directorate General of Employment & Training, Govt. Of India under SDI-MES Scheme.**

**OBJECTIVES OF THE SCHEME :-**

- ❖ To build capacity in the area of development of competency standards, course curricula, learning material and assessment standards in the country.
- ❖ Priority will be given to covering those above the age of 14 years who have been or withdrawn as child labour to enable them to learn employable skills in order to get gainful employment.

**KEY FEATURES OF THE SCHEME :-**

Demand driven Short term training programmes based on Modular Employable Skills decided in consultation with Industry.

- ❖ The certification by NCVT is recognised nationally and internationally for gainful employment.
- ❖ Existing skills of the persons can also be tested and certified under this scheme.

DPMEI was established with a vision to evolve a unique system of education that increases the relevance of Vocational education. DPMEI looks beyond established boundaries of learning and has made a difference in managing and delivering of professional skill based education in India in the past two decades .Skill based technical education plays a vital role in human resource development of the country by creating skilled manpower, enhancing industrial productivity & ideas, exposing the hidden talent of students. A strong bond between the faculty, students and corporate world has been established with the aim of making ethical leaders for tomorrow. In order to create a stimulating and flexible learning environment, the institute provides a learning platform that promotes innovation and leadership. The Institute imparts quality, professional and cost effective education to the aspiring youth residing in Delhi and NCR
